

**PerfectQuote® - Digital Insurance, LLC Pricing**

**11/15/2022 – 12/31/2023**

During the period referenced above and based on the cumulative number of User Licenses across all of OneDigital agencies that enter into subscription services with Company:

- 1) 1-40 User Licenses (“Level 1”): \$2,988.00/user/year (or as otherwise may be pro-rated through end of period if partial term). Monthly User Licenses may be added for \$249.00/user/month.
- 2) 41+ User Licenses (“Level 2”): \$2,388.00/user/year (or as otherwise may be pro-rated through end of period if partial term). Monthly User Licenses may be added for \$199.00/user/month.

In the event the total number of User Licenses across all of OneDigital agencies exceed 40 committed annual User Licenses during the above-referenced period, then a pro-rata credit for the difference between Level 1 and Level 2 pricing for the balance of the referenced period term shall be issued to each agency that purchased annual User Licenses at the Level 1 User License price. Such credit may only be applied to the next subsequent subscription term for the agency receiving the credit.
